About the Scholarship

The Gift of Grace Scholarship Fund was started in May 2010. It was started as part of an outreach effort through Arbor Pointe Church.

The pastor of [Arbor Pointe Church](#), Joe McKechnie, gave each member \$10 and asked the congregation to use the \$10 to help the community.

While thinking about this outreach effort, I felt led to start a scholarship for the community I live in.

This has always been a dream of mine but I thought I didn't have the time or the resources to do something like this.

God really challenged me that now was the time to start this scholarship.
